Let me tell you 'bout Sonny from my neighborhood
He was always clever and everything he did was good
Everybody thought that he was gonna turn out fine
But they never knew what poor Sonny did at night yeah

Sonny is a bad guy now
Sonny is a bad guy now
You can say what you want but it's better if you don't
'cause Sonny is a bad guy now

Daytime kosher at night he left his heart behind
So many things going on in his mind
Supersonic Paulie always tried to call him at home
Wheeling and dealing their way to the twilight zone
yeah

Sonny is a bad guy now...

Heard the news 'bout Sonny from my neighborhood?
I can't tell you more I wish I could
Someone said he saw him just the other day
It could have been him but you know it's really hard to
say yeah

Sonny is a bad guy now...
