There's nothing you can do about the way I spend my
mind
There's nothing you can say about what I kept or left
behind
It's gonna be alright
It's gonna be alright
No I don't need your helping hand no I don't care what
you say
I will do the things I do yeah I will find my way
It's gonna be alright
It's gonna be alright
It's gonna be alright
It's gonna be alright

Who's that calling out for me now
What's that banging on my door
Well I think it's all too clear now
It's the ghost of my control

I've been moving forward so I've lost my best defense
Instead of going slowly I've been doing my American
dance
It's gonna be alright
It's gonna be alright
Running for a chance to meet myself but I'm way ahead
of me
So any means to any end and please get me there for
free
It's gonna be alright
It's gonna be alright
It's gonna be alright
It's gonna be alright

Who's that calling out for me now
What's that banging on my door
Well I think it's all too clear now
It's the ghost of my control

You're calling me a liar well I'm not the only one
You're doing this for something well I'm doing this for
fun

But there was nothing I could run from 'cause there's
nothing there at all
I just arrived at nowhere still waiting for that call
It's gonna be alright
It's gonna be alright
It's gonna be alright
It's gonna be alright

Who's that calling out for me now
What's that banging on my door
Well I think it's all too clear now
It's the ghost of my control
Who's that calling out for me now
What's that banging on my door
Well I think it's all too clear now
It's the ghost of my control
