You've made up your mind  
I'm talking too loud  
I will try to bite my tongue  
So help me please I'm dumber than young  
I must be insane  
I said it again  
I will try to hold my breath  
And I'll just wait 'til I'm released by death

Do you wanna tie my hands behind my back?  
Do you?  
I know you wanna hurt me bad  
Do you really wanna call me that?  
Do you do you...

I gave you a dose  
Of being too close  
But I will be as good as gold  
I'm all yours in your stranglehold

Do you wanna tie my hands behind my back...

She's made up her mind  
Don't think I'm her kind  
But there will be somebody new  
And I can learn to love her too

Do you wanna tie my hands behind my back...
