You ain't nothing  
You ain't nothing to me  
You ain't nothing  
You ain't nothing to me

You were talking on the town talking all around  
Making up stories to get someone on your side  
You wanted everything everything I've got  
You just kept on going 'till I knew it had to stop

You ain't nothing  
You ain't nothing to me  
You ain't nothing  
You ain't nothing to me

Somewhere down the track something had to crack  
You used a lot of people but you gave them nothing  
back  
But I'm not gonna be part of that deal  
Forget about me I'm gonna tell you how I feel

You ain't nothing  
You ain't nothing to me  
You ain't nothing  
You ain't nothing to me  
You ain't nothing  
You ain't nothing  
You ain't nothing  
You ain't nothing

You're knocking on my door asking me for more  
I won't open up 'cause I don't need you anymore  
You never get enough you're never satisfied  
You can go away 'cause now you're gonna be denied

You ain't nothing  
You ain't nothing to me  
You ain't nothing  
You ain't nothing to me  
You ain't nothing  
You ain't nothing

You ain't nothing  
You ain't nothing

You ain't nothing to me  
You ain't nothing to me  
You ain't nothing to me  
You ain't nothing to me  
You ain't nothing nothing nothing to me  
You ain't nothing nothing nothing to me  
You ain't nothing nothing nothing to me  
You ain't nothing nothing nothing to me  
You ain't nothing
