I hate to see you cry
Lying there in that position
There's things you need to hear
So turn off your tears and listen

CHORUS

Pain throws your heart to the ground
Love turns the whole thing around
No it won't all go the way it should
But I know the heart of life is good

You know, it's nothing new
Bad news never had good timing
But then the circle of your friends
Will defend the silver lining

CHORUS

Pain throws your heart to the ground
Love turns the whole thing around
No it won't all go the way it should
But I know the heart of life is good

Pain throws your heart to the ground
Love turns the whole thing around
Fear is a friend who is misunderstood
But the heart of life is good, I know it's good
