I'm a million miles from nowhere
You took a thousand ways to get there
But here I am, right where I begin.
Sometimes I feel so useless, I ran so far,
I wonder how...
I know right from wrong,
I just don't know if I've been gone too long!

Chorus:

(Bring me back)
Bring me back to where I used to hide
I've been trampling all the things that once crucified.
(Bring me back)
Bring me back so close that you can whisper in my ear
We're losing sight of cavalry, ...have to be my fear
Bring me back!

I don't remember where I was, when I decided not to
trust
Guess I was on that inner state
I'm thinking maybe it's too late.
But how your passion feels my veins,
Before I started on this game
Rescue me from death, I think I'm on my final breath!

Chorus:

(Bring me back)
Bring me back to where I used to hide
I've been trampling all the things that once crucified.
(Bring me back)
Bring me back so close that you can whisper in my ear
We're losing sight of cavalry, ...have to be my fear
Cast me not away (cast me not away)
Don't want your prayers to...
Take off your spirit from me!
Bring me back!

(Bring me back)
Bring me back to where I used to hide
(Bring me back)
Lord, I feel so empty, I feel so empty inside

(Bring me back)
Lord, I'm lost without your love,
I need you right here by my side
Oh, without Jesus it's been a .. fight
(Bring me back)
Bring me back so close, you can whisper in my ear
We're losing sight of cavalry
Wouldn't have to be my fear
Cause, I'm losing sight of cavalry
Had this be my biggest fear
Oh lately Jesus lose His... of cavalry
Has been my biggest fear
Bring me back!

I'm a million miles and took a thousand days
Lord, here I am, here I am
