I aint tripping,
I make love,
I aint get ma ass on a bitch who don't show love,
When I see beautiful girl like you,
When you stare and stand watching at me like a TV,
I see your eye love run like a river,
Wave that bounce in the sea,
I beg your pardon give me kiss hug when you feel like
you needed,
No one can stop you (you ma queen am your king),
Queen can do what eve she desire, what ever she wish
to do
We do (we do together),
We die (we die together),

Whe feel (we feel together),
I will not stop unless you said I'm fine,
When we both scream we calm down we feel good ,
After that I feed you with ma chocolate
