How can I just let you walk away
Just let you leave without a trace
When I stand here taking every breath with you
You're the only one who really knew me at all

How can you just walk away from me
When all I can do is watch you leave
'Cause we shared the laughter and the pain
And even shared the tears
You're the only one who really knew me at all

So take a look at me now
'Cause there's just an empty space
There's nothing left here to remind me
Just the memory of your face

So take a look at me now
When there's just an empty space
And you're comin' back to me is against all odds
And that's what I've got to face

I wish I could just make you turn around
Turn around to see me cry
There's so much I need to say to you
So many reasons why
You're the only one who really knew me at all

So take a look at me now
There's just an empty space
There's nothing left here to remind me
Just the memory of your face

So take a look at me now
'Cause there's just an empty space
But to wait for you is all I can do
And that's what I've got to face

Take a good look at me now
'Cause I'll be standing here
And you comin' back to me
Is against all odds

It's the chance I've gotta
Take
Hey yeah

Whoa
Take a look at me now
Mmmmh
