I was a wayward child  
With the weight of the world  
That I held deep inside  
Life was a winding road  
And I learned many things  
Little ones shouldn't know

Chorus:  
But I closed my eyes  
Steadied my feet on the ground  
Raised my head to the sky  
And though time's rolled by  
Still I feel like that child  
As I look at the moon  
Maybe I grew up  
A little too soon

Funny how one can learn  
To grow numb to the madness  
And block it away  
I left the worst unsaid  
Let it all dissipate  
And I try to forget

Chorus

Nearing the edge  
Oblivious I almost  
Fell right over  
A part of me  
Will never be quite able  
To feel stable  
That woman-child falling inside  
Was on the verge of fading  
Thankfully I  
Woke up in time

Guardian angel I  
Sail away on an ocean  
With you by my side  
Orange clouds roll by

They burn into your image  
And you're still alive  
(You're always alive)

Chorus

Chorus (x2)
