SDD:

Yo

What's happenin'?

What you're cryin' for?

You know you look too damn good to be cryin'

Come here

(MC: Do do do do do yeah yeah)

How about a player

DPG style

You know

You know

MC:

When I think of our untimely end

And everything we could have been

I cry, baby I cry

Ok

So it's 5 AM and

I still can't sleep

Took some medicine

But it's not working

Someone's clinging to me

And it's bittersweet

'Cause he's head over heels

But it ain't that deep

I finally changed my number

Got a different pager

Then last saturday

Your cousin called to say you're

Tryin' to reach me

Probably because you see that

I'm with someone new

Late at night like a little child

Wandering 'round alone

In my new friend's home

On my tippy toes

So that he won't know

(So that he won't know)

I still cry baby

(I cry baby)  
Over you and me

Sipping Bailey's Cream  
By the stereo  
Trying to find relief  
On the radio  
I'm suppressing the tears  
But they start to flow  
'Cause the next song I hear  
Is a song I wrote  
When we first got together  
Early that september  
I can't bear to listen  
So I might as well drift  
In the kitchen  
Pour another glass or two  
And I try to forget you  
(You)

Late at night like a little child  
Wandering 'round alone  
In my new friend's home  
(In my new friend's home on my)  
On my tippy toes  
So that he won't know  
(So that he won't know I)  
I still cry baby  
Over you and me  
(You and me)

SDD:  
Baby hear me when I say  
Let that man be on his way  
Don't even waste your time  
And worry how he handle thangz  
(That ain't right) baby hear me when I say  
A playa feelin' good today (u know ur 2 fly 2 be cryin')  
Don't even waste your time watch how I handle (watch)  
thangz  
Man ur a fool for this  
(MC: For this)  
But on the real dog I'm cool with this we do and this  
MC & SDD:  
D-O-DOUBLE G-Y  
Kiss the girls and make them cry!

MC:  
(It's late)  
Late at night like a little child  
(I'm like a little child)

Wandering around alone  
(Wandering around alone)  
In my new friend's home  
(Do do do do do)  
On my tippy toes  
(Tippy toes)  
So that he won't know  
(So that he won't know)  
I still cry baby  
(I was babbling)  
Over you and me  
(Over you and me)

Why is it 5 AM and  
I'm still struggling and  
Walking 'round no  
Do do do do do do do

(On my tippy toes)  
On my tippy toes  
So that he won't know  
I still cry baby  
(I still cry)  
Over you and me

I don't get no sleep  
I'm half awake  
Can't stop thinking of you and me  
And everything we used to be  
It could have been so perfectly

I cry  
I cry  
I cry  
Oh  
I gotta give me some sleep  
Cry  
Cry  
Cry  
Cry  
Baby and I  
Cry  
On my tippy toes  
So that he won't know  
I still cry  
You and I  
Over you and me

Late at night like a little child  
(Oh like a little child)  
Wandering 'round alone

In my new friend's home  
(Do do do do do)  
(In my new friend's home)  
On my tippy toes  
So that he won't know  
(So that he won't know)  
I still cry  
(Do do do do do)  
(Do do do do do)  
(Do do do do do)  
(Do do do do do)  
(Do do do do do)

I  
Cry  
Cry  
Cry  
Cry

Late at night like a little child  
Wandering around alone  
In my new friend's home  
On my tippy toes  
So that he won't know  
I still cry baby  
Over you and me

Do do do do do  
Do do do do do  
Do do do do do  
Do do do do do  
Cry baby  
On my tippy toes  
So that he won't know  
I still cry  
Mmmh  
Baby and I
