It's so sweet
In my daydreams

Every night you creep into my dreams
Fantasy
It's so deep, but it's a fantasy
Every night you creep into my dream
It's so real
(In my daydreams)
It's just a sweet
It's just a sweet

(In my daydreams)
It seems so real
You touch me
You come into my room
Come to me
It's just a fantasy
It feels so sweet
But it's just not real
Oh baby it's just a sweet fantasy

And daydream is all that I can do
I feel raptured over you
In silence
I keep it to myself
Come take me
I don't want nobody else

And it's sweet
I feel sweet
And it's sweet
I feel sweet
And it's sweet
I feel sweet

And it's deep
I feel really deep

It's just a sweet
It's just a sweet
You're like the kiss of life
You're like the kiss of life
Beaming in the sky

Oh you're just a fantasy
Oh baby, you come into my room
Yeah
But you're just a fantasy
