Do you know  
How it feels  
Lying here without you baby  
You could never understand what's happening to me  
So alone  
Nothing's real  
I just dream about you baby  
And forever wonder why you had  
To break free

Chorus  
Even though you're not my lover  
Even though you're not my friend  
I would give my all  
To have you here  
Just to hold you once again

It's so hard  
To believe  
I don't have you right beside me  
As I long to touch you  
But you're out of my reach  
And my heart doesn't feel  
It's so very cold inside of me  
Just a shadow of someone that I used to be

Chorus  
You were the only one (only one)  
That I allowed inside my heart  
Now I'm just holding on  
To something so far gone  
Where did I go wrong

Chorus
