DJ Clue

Last night a DJ saved my life  
Last night a DJ saved my life  
Cause I was sittin' there bored to death  
And in just one breath he said  
You gotta get up  
You gotta get on  
You gotta get down girl  
You know you drive me crazy baby  
You've got me turning to another man  
Called you on the phone  
No one's home  
Baby why ya leave me all alone  
And if it wasn't for the music  
I don't know what I'd do

Last night a DJ saved my life  
Last night a DJ saved my life from a broken heart  
Last night a DJ saved my life  
Last night a DJ saved my life with a song

You know I hopped into my car  
Didn't get very far no  
Because I had you on my mind  
Why be so unkind?  
You've got your women all around  
All around this town, boy  
But I was trapped in love with you  
And I didn't know what to do  
But when I turned on my radio  
I found out all I needed to know  
Check it out

Last night a DJ saved my life  
Last night a DJ saved my life from a broken heart  
Last night a DJ saved my life  
Last night a DJ saved my life with a song

Last night a DJ saved my life  
Last night a DJ saved my life from a broken heart

Last night a DJ saved my life  
Last night a DJ saved my life with a song

Hey listen up to your local DJ  
You better hear what he's got to say  
There's not a problem that I can't fix  
Cause I can do it in the mix  
And if your man gives you trouble  
Just you move out on the double  
And you don't let it trouble your brain  
Cause away goes troubles  
Down the drain  
I said away goes troubles  
Down the drain

Last night a DJ saved my life  
There's not a problem that I can't fix  
Cause I can do it in the mix  
There's not a problem that I can't fix  
Cause I can do it in the mix
