You're with me
Til the bitter end
What we had transcends
This experience
Too painful to
Talk about
So I'll hold it in
Til my heart can mend
And be brave enough to love again

A place in time
Still belongs to us
Stays preserved in my mind
In the memories there is solace

Never too far away
I won't let time erase
One bit of yesterday
Cause I have learned that
Nobody can take your place
Though we can never be
I'll keep you close to me
When I remember

Glittering lights
Incandescent eyes
Still preserved
In my mind
In the memories I'll find solace

Never too far away
I won't let time erase
One bit of yesterday
And I have learned that
Nobody can take your place
Though we can never be
I'll keep you close to me
And I'll remember

A place in time
Still belongs to us

Stays preserved in my mind
In the memories there is solace

Never too far away
I won't let time erase
One bit of yesterday
Cause I have learned that
Nobody can take your place
And though we can never be
I'll always think of you and me
Always remember

Love

You're never too far
