Mariah.....Mariah....
They call the wind Mariah
Way out here
They got a name
for rain and wind and fire
the rain is rest
the fire is joy
and they call the wind Mariah

Mariah throws the stars around
and send the clouds a-flying
Mariah makes the mountains sound
like folks were up their dying

Mariah.....Mariah...
They call the wind Mariah

Before I know Mariah's name
and heard her wail and whinning
I had a girl and she had me
the sun was always shinning
But then one day
I left my girl
I left her behind me
and now I'm lost
Oh God I'm lost
not even God can find me

Mariah...Mariah...
They call the wind Mariah

Out here they got a name for rain
for wind and fire only
But when your lost and all alone
there is no name for gloomy
And I'm a lost and lonely man
without a star to guide me
Mariah blow my love to me
I need my girl besides me

Mariah...Mariah...

They call the wind Mariah

Mariah....Mariah....

Blow my love to me.....
