"Through The Rain"

We dreamers have our ways
Of facing rainy days
And somehow we survive
We keep the feelings warm
Protect them from the storm
Until our time arrives
Then one day the sun appears
And we come shining through those lonely years
I made it through the rain
I kept my world protected
I made it through the rain
I kept my point of view
I made it through the rain
And found myself respected
By the others who
Got rained on too
And made it through
When friends are hard to find
And life seems so unkind
Sometimes you feel so afraid
Just aim beyond the clouds

And rise above the crowds
And start your own parade
Cause when I chased my fears away
Thats when I knew that I could finally say
I made it through the rain
I kept my world protected
I made it through the rain
I kept my point of view
I made it through the rain
And found myself respected
By the others who
Got rained on too
And made it through
