Close to me  
Oh, I need you close to me  
Loving me  
Close to you  
How can I get close to you  
Help me to

Chorus  
Why can't you see  
I would give the world away  
To have you by my side  
I'm so in need  
Each and every night I pray  
You'll come and save my life  
I would love you  
Till the end of time

I think of you  
Every moment that I go through  
Thoughts of you  
I dream of you  
All I have are so many dreams of you  
Won't you please come true

Chorus

Tell me what you need  
Let me give you all of me  
Without you nothing's real  
You're the reason that I feel

Tell me what you need  
Let me give you everything  
Every moment I'm alive  
Until the end of time  
Chorus

I would love you till the end of time (repeat and fade)
