Love wandered inside
Stronger than you
Stronger than I
And now that it has begun
We cannot tuurn back
We can only turn into one

Chorus:

I won't ever be too far away to feel you
And I won't hesitate at all
Whenever you call
And I'll always remember
The part of you so tender
I'll be the one to catch your fall
Whenever you call

And I'm turly inspired
Finding my soul
There in your eyes
And you
Have opened my heart
And lifted me inside
By showing me yourself
Undisguised

Chorus

Bridge:

And I will breathe for you each day
Comfort you through all the pain
Gently kiss your fears away
You can turn to me and cry
Always understand that I
Give you all I am inside

Chorus (2x)
