(Kelly, Steinberg, Hoffs)

There's a mask on the wall
That I should be wearing
To keep you from seeing
How I'm really feeling
I'd like to be cool
And tell you goodbye
I've been such a fool

And now it's written all over my face
That I'm about to cry
I need a disguise
To hide my love
I need a disguise
You've seen too much
I fall apart when you touch me
With your eyes

I need a disguise
Ooh baby
I need to get wise
Ooh baby

I know just where you're going
And I know who you'll be seeing
If I swallow all my pride
There'll be nothing left of me
I'm so confused
It can't be denied (I think you better run now)
Either way I lose
And it's written all over my face
How I hurt inside

I need a disguise
To hide my love
I need a disguise
You've seen too much
I fall apart when you touch me
With your eyes

I need a disguise
Ooh baby
I need to get wise
Ooh baby
