Wannabe (Ohhh)
Millionaire
F***!
I got something exploding inside of my head
I will try to forget everything that you said

Royalty (Ohhh)
Counterfeit
Whore!
I will try to forget everything that you said
I got something exploding inside of my head

Alive
Alive or dead
Alive

Company (Ohhh)
Wait for it...
Go!

I got all that I wanted in life
I got something you cannot buy
I got all that I wanted in life
I just need a break
I just need a break

I got something exploding inside of my head
I will try to forget everything that you said

Alive
Alive or dead
Alive

I got something exploding inside of my head [x2]
I just need a break [x4]

Alive
Alive or dead
Alive
Alive or dead

(Alive) Lest we forget
(Alive) It's now or never
(Alive) Will burn again
(Alive) Will burn forever
