INTERCONNECTOR
Tell me it's the same
You can't win if you don't play the game
But your fake rebellion
Is just so fuckin' annoying
My big heros a garbage collector
A big hair - an interconnector
He not waiting for the next big thing
He got the class bullshit protector
Yeah - we got something to prove
Yeah - we got something that's true now
I hope you're getting it too
Got nothing better to do
Then again - keeping kiddies safe
The false image of men
I just gotta tell ya
Shit from an interconnector
Im getting into the mini
Driving away
Because me and my TV
Ran out of something to say
What's to say?
Yeah - we got something to prove
Yeah - we got something that's true now
I hope you're getting it too
Got nothing better to do
