Come On

Where You At?

Come On

[Chorus:]

When you're hungry and you're weak, got no money
in your pockets and your car got stolen cause you forgot
to lock it get naked....get naked....

[Verse 1:]

Look, I give you reason to strip, give me time by the minute and
I'm squeezing the hips, and as she kissing on my neck,
Mami ready to go, ain't taking it slow, shorty blown my mind, and
the way that she move it's like Stellar with a groove in
her prime, I'm not your typical guy, you a typical girl so stop
acting like a gift to the world, but I ain't frontin' Ma you
out of the most and the way I approach to get you open now I'm
keeping you closed, now she thinkin' I am one of the best, Ma
I do what I can, but it ain't nothing girl you know that I'm
fresh.....

[Chorus:]

When you're hungry and you're weak, got no money

in your pockets and your car got stolen cause you forgot
to lock it get naked....get naked....know you want my tattoo...

and my little ring....get naked.....

Strip poker....spin the bottle.....

[Verse 2:]

Shorty stop leading me on, you in the bed now, moving and you're
shakin' while I'm playin' your thong and it only took a

minute girl, you know I'm pimpin' girl, love it how I spin it now
you're moaning when hit it girl, told Ya I'm a hit it

girl, stop denying the facts that you're my shorty but you're
second to rap and Ma it's in your nature to do what you do now

I'm seeing why these other girls hate ya, I can't hate ya cause
you're sort of a tease and I'm looking for a shorty to

please, and if you're feeling what I'm feelin' is good, then what
I'm feelin' is right, and maybe you can share these

feelings tonight, come on....

[Chorus]

Yeah....I want you to song wit me now Ma....

[Verse 3:]

You up in close keep grindin', keep movin', left right up down,
oh we groovin' now I wanna see your tats and let me know

if we can dance from your hip to back, look I see your little
ring shinning, you tight fond baby girl but don't stop

grindin' now, let me know if I'm wrong but I know that I'm a have
you naked by the end of the song...the end....

[Chorus]

Baby take off your clothes

Baby take off your watch

Baby take off your shirt

and play my little game

know you want my tattoo

and my little ring

now Ya gotta take it off

and play my little game....
