#### Verse 1 \*(Shock G)\*

Mammy, zammy, damn there's nothin to me  
but when they rock us in the streets we say "Ooo-we"  
you see the freak in the beat, she do me  
I hit that mitty-bitty wit the sticky ooo-we gooy  
I got more funk in my left in my left pinky toe  
I got more soul in my style  
then they will ever know  
I got more rhythm than I'll ever need to show  
we got them groceries bro  
yo Luniz let go.

#### Verse 2 \*(Numskull)\*

I got the flow so let the Luni man take over  
get deep into my hold  
if ya lost, then picture gold  
I heard styles that others stole  
but it's no original flow  
like the Luniz an the man wit the nose.

#### Verse 3 \*(Yukmouth)\*

Notice my flows kick like a loaded Mac-11  
ghetto heavy, could climb wit mo "Good Times" than  
James Devin  
glock wars  
meanin you criticize Tupac for  
homies in the hood, we strap Rugers an "We Got More".

#### Chorus \*(Shock G)\*

Didn't ya know  
our brothas got more  
so check the new flow  
cuz here we go-e-o-we-oh.  
Look how we throw  
a lil sumpthin to roll to  
hold you, from the O-we-O-we-O.

Verse 4 \*(Shock G)\*

I got that Voodoo runnin through my veins  
quit  
surpressed yes  
crazy no  
not insane  
I smoothie through the menu then I make my order  
I got that dominate gene  
so if ya 'noid hide yo daughter  
the love ya givin is based on what I do for you  
for the right amount of money you probably let me ???  
you  
I like to glide up in it, but I got my pride  
ain't no whore  
don't second guess yo man cuz he got more.

\*(Chorus)\*

Verse 5 \*(Yukmouth)\*

Studio gangstas wanna battle, well let's battle  
I blasted  
they plastic ass get put under ground wit the  
fragments.

Verse 6 \*(Numskull)\*

Snaggle tooth rhymers wit no flavor  
save a gang a neighbors  
then move away so they won't be called haters.

Verse 7 \*(Yukmouth)\*

Captain Save-A-Hoe  
up-up an away ya go  
the "O" is too unfadeable.

Verse 8 \*(Numskull)\*

But don't trip  
get a grip  
make ya own skit  
be sure  
before  
you slide through the door cuz "We Got More".

Chorus \*(Shock G)\* 2x

Didn't ya know  
our brothas got more

so check the new flow  
cuz here we go-e-o-we-oh.  
Look how we throw  
a lil sumpthin to roll to  
bump hoes to  
from the O-we-O-we-O.
