Get the sinking feeling  
You're behind my head again,  
And the more I weed, the more it grows  
And here I am, hung by my toes  
The time spent set in cement  
Spent wasting my time  
When I could have been pulling it down

It's my release  
It's my release  
It's my release  
It's my release

Held down  
Entangled  
It's a web of my own making  
This desolation shaking me apart  
Build it up, paste it up, stick it up  
Stuck up  
Fucked  
Such a shame  
My defences have become my own restrictions

It's my release  
It's my release  
It's my release

My love  
Talk to me  
It's a bone orchard  
You cast a shadow  
On my heart  
It's a bone orchard

My love  
Talk to me  
It's a bone orchard  
You cast a shadow  
On my heart  
It's a bone orchard
