Inside  
Im all twisted round  
Feeling uptight  
And I can't calm down

And I need someone to tell me  
I'm safe again  
And I need someone to tell me  
That they really care

What have we become?  
Could you comfort me?  
Comfort me  
The whole world's come undone  
Could you comfort me?  
Comfort me

Back up evolution here  
All the sick fucks  
Being born to kill

They just  
Need someone to tell them  
There safe again  
They all need someone to tell them  
That somebody cares

What have we become?  
Could you comfort me?  
Comfort me  
The whole world's come undone  
Could you comfort me?  
Comfort me

You're gonna bring the whole world down!  
Bring the whole world down

What have we become?  
Could you comfort me?  
Comfort me  
The whole world's come undone

Could you comfort me?  
Comfort me

What have we become?  
Could you comfort me?  
Comfort me  
The whole world's come undone  
Could you comfort me?  
Comfort me
