INTERCONNECTOR

tell me its the same
you can?t win if you don't play the game
but your fake rebellion
is just so fuckin' annoying
my big hero?s a garbage collector
a big hair - an interconnector
he not waiting for the next big thing
he got the class bullshit protector

yeah - we got something to prove
yeah - we got something that?s true now
I hope you?re getting it too
got nothing better to do

then again - keeping kiddies safe
the false image of men
i just gotta tell ya
shit from an interconnector
I?m getting into the mini
driving away
because me and my TV
ran out of something to say
what?s to say?

yeah - we got something to prove
yeah - we got something that?s true now
I hope you?re getting it too
got nothing better to do
