The night goes on and on  
It seems like it's forever  
Wish we were home instead  
If how it's turnin' out

There's somethin' you cannot explain  
The one thing that gets in the way

Don't say the things you said  
Can't you see that way  
I made a mistake

You've become a stranger to me now  
You kept it all inside  
Instead of letting it come out

Loved sayin' I'll be there  
And knowin' that you mean it  
We could go anywhere  
And never be apart

There's somethin' you cannot escape  
There's one thing you can never fake

Don't say the things you said  
Can't you see that way  
I made a mistake?

You've become a stranger to me now  
You kept it all inside  
Instead of letting it come out

Through all the lonely days  
And all the times that I spent waitin'  
To finally be with you again  
Just to discover that you changed  
And things will never be the same

You've become a stranger to me now  
You kept it all inside  
Instead of letting it come out

Yeah, it's gone too far this time  
Yeah, you let it slip away  
Yeah, we've gone too far this time  
Things will never be the same
