(Carole Bayer Sager/Melissa Manchesler)

Well hello there
Good old friend of mine
You've been reaching for yourself for such a long time
There's so much to say
No need to explain
Just an open door for you to come in from the rain

It's a long road
When you're on your own
And someone like you
Will always choose the long way home
There's no right or wrong
I'm not here to blame
I just want to be the one
Who keeps you from the rain]
From the rain

And it looks like sunny skies
Now that I know you're all right
Time has left us older and wiser
I know I am
And it's good to know
My best friend has come home again
'Cause I think of us
Like on old cliché
But it doesn't matter
'Cause I love you any way
Come in from the rain
Come in from the rain

UNTIL THE NEXT TIME

(Carole Bayer Sager/ Johnny Vastano)

I'm not supposed to feel this way
You'd think I'd know a whole lot better
But it sure feels good lyin' here next to you, babe
You make me do all the things I've wanted me to

And I'm not supposed to call your name
You'd think by now I'd realize it

But I cant hold back on these feelings inside
And sometimes I want to shout 'em up to the sky
You're not supposed to be the one that I'm needing
But I'm not strong enough to do what I should do
So I'll just close my eyes and hold to the feeling
Until the next time-until the next time

And I never knew I'd feel like this
Stealin' hours in the night
But just like a child who found some candy in the store
I tasted your love and now I keep wantin' more
I'm not supposed to be the one you're dreamin'
But I'm not sure dreams don't keep me alive
So I'll just close my eyes and hold to the feeling
And I won't let it go
Until the next time

You're not supposed to be the one I'm needin'
But I'm not strong enough to do what I should do
So I'll just close my eyes and hold to the feeling
And I won't let it go
Until the next time
