I don't want to fight  
Sometimes I'm always right  
I'd love to change it but you know I can't, so  
I need a second chance

I know I'll do you wrong  
That's why I wrote this song  
I hate to ask you so far in advance but  
I need a second chance

I came into this world alone  
And I've always felt on my own  
I came into this world alone  
And I've always felt on my own

My reputation is  
Not how I want to live  
And how I'm living isn't worth a damn, so  
I need a second chance

I saw her downtown  
I guess she's happy now  
I, myself, have found some true romance so  
I got a second chance

I came into this world alone  
And I finally found a home
