Naw mayne I'm not Blood deep or Crip deep, six feet a
click deep
How deep this deep, Nine Milli' clip deep
With this heat a body builder, turn into a pip-squeak
They turn to vegetarians, they don't wanna end up
mince meat
You'll see, where the mortuary is at I know you miss me
Snatch the gat plat, and lyrically wreck that ass
officially
I see you live in fairy tales, niggaz better switch beefs
I'll have the tooth fairy, choke his ass up out of his
sleep
Problem with Chamillionaire, but do they mention any
name
Hell naw you scarecrow, just try your best to be brave
Got a Smith-N-Wesson, but we know that you gon
behave
On safety, you Locksmith like you could get a key made
All up on the thang, like lil' girls turn to teenage
You're really a bunch of hoes, like 6th street at Texas
Relays
Ohio to Chicago, I got niggaz in them PJ's
Bully skinny, but the armstrong like he was BJ's
I hear these rapping niggaz, but believe I'm not a fan of
it
I'm here to rid the rap game, of all of it's contaminants
I'm better than the average, I want her I could have the
chick
Doing the same pose, as Paris Hilton in them camera
flicks
The mathematics get big, cause I'm demanding it
Raping the rap game, while these other suckas is
romancing it
Ain't worried about it's feelings, they don't wanna take
a chance with it
Kissing up to the game, with rose pedals and a candle
lit

(*talking*)

Yo, what up world this the O.G. Ron C

And you know how we do it, big Texas style mayne
Chopping niggaz up, not slopping niggaz up
I'm up in the motherfucking lab, and we doing it like
this
We told you motherfuckers, to step the fuck back
Let these real G's through, we here now mayne
You know I'm saying, Chamillitary like my nigga Koop
would say mayne
Put that up in your motherfucking mouth mayne
