(Woman: "Mixtape Messiah".....Da King is here nigga!)

(T.I. Insert)

Ay what these other niggaz talkin', I don't believe that
shit

I'm the King cuz I said it and I mean that shit

Ay I'm the king cuz I said it, I'm the king cuz I said it

I'm the king cuz I said it and I mean that shit

Ay what these other niggaz talkin', I don't believe that
shit

I'm the King cuz I said it and I mean that shit

Ay what's so special bout him, he ain't all that, shit

I set the city on fire and you seen that shit

[Chamillionaire]

Stupid you runnin' around like the Messiah isn't a force

Then tell me how did my first album even get on The
Source

I was sittin' next to Pimpin' Ken, (was he pimpin'?), of
course

But I was thinkin' bout gettin' with Trina and tryna pimp
me a Porsche

I can't hand a nigga the rap game now cuz I'm usin' it

Ain't a underground rapper gon' have it til' I through
with it

I don't burn bridges (nah), other rappers 'll ruin it

I just jump over the bridge and pimp-slap em' for doin'
it

I'ma embarrass ya so bad, that ya label won't say they
know ya

You's a good ass promoter, but the fat lady say it's
over

Mixtape Messiah 2 is the bullet I'm savin' for ya

And I can pop trunk pumps on ya coffin' and raise it for
ya (Weww!)

And I ain't the only person who sick of ya voice

I kill a rapper with one verse and the real niggaz rejoice

But I was forced (do you feel any remorse?) of course

That's why I'ma show up at his funeral and pop trunk on
his corpse

[Chamillionaire]

Yeah, you'll never get on my level, no need to go get a ladder

You better run when I come like a pitcher that hit the batter

(You Paid In Full?), nah, but I got alot of respect for Hatter

Even though niggaz be ignorin' my questions bout business matters

Cat tell me to call Hatter, Madd Hatter said call Cat
I call niggaz about some business, and I never get a call back

I just wanted my songs back, but they act like I'm on crack

To drop another Cham' & Paul, we ain't even on contract

Parta' the game is that, I keep gettin' reminded daily
Labels ahead 'll screw you, that's the business out of it baby

Nigga was grindin' daily, but suspicions was kinda crazy

I had to pretend like I was broke, just to get Paid In Full to pay me

It's crazy, for the label with the reputation for actin' a ass

Like Rap-A-Lot, what's the label that was always on time with cash

Gave em' my price, they didn't try to make me go down a tag

So for J.P., Tom, Rad, and Chief, it's done they ain't gotta ask

Ain't a nigga who can persuay me to go back to House
So I can hear Dike Jones tell me he got platinum in his mouth

That nigga soft, he ain't never move no crack in the South

Was in packagin' soft, and he said he stack more stacks then the Boss

Sure you do, I hope that's not a story they told to you
You need to pimp-slap that sick pup and maker who controllin' you

You ain't runnin' NOTHIN'!, only you would go vote for you

Cuz my pockets got more G's, then a G-Unit quotable
G-G-G-G-G-G-Geez, you's a pee-on please

Why is he here somebody please, tell this pee-on leave
Air-condition on my wrist, I stay with free-on sleeves

Ya stay on D, like defenders durin' three-on-three's
My momma moved out the hood to a 5 bedroom home

Rasaq moved off to solo and got a lil' crib of his own
Then I bought a Ninja bike and another whip on chrome
My money long, I stand on top of the world and spit on
Jones
Your album, so what we heard you was comin' soon
Yeah the song with Alicia Keys, or maybe you said it
was Loon
I can fit your crib inside my truck, and I'd still have leg-
room
Then I can park that whole truck inside my Master
Bedroom
Saw ya DVD you talkin' that ridiculous noise
Sister got kids with baby cribs bigger then yours
Danny DeVito duckin' down couldn't even fit through
your doors
You gotta be Kiddin' me BOY!, is you Kiddin' you SURE!
(SURE!)
