I need to talk.
I know its late.
Theres something I just got to say.
We have been standing in the dark for so long.
Its going to break my heart to turn the light on.

You are all I want.
But all I want aint what you need.
If I cant be the one you want.
Then all I was is to be free.

Dont spare my heart.
Please dont pretend.
You know Im right.
This is the end.
It would hurt me less, just face the truth.
You dont really feel the way that I do.

You are all I want.
But all I want aint what you need.

If I cant be the one you want.
Then all I want is to be free.

Gotta get away,
Gotta get away,
Wanna stay but I gotta get away, yeah yeahhh

Not another day
Gotta make a change
Wanna say But I gotta get away yeahh yeahhhhhh

You are all I want.
But all I want aint what you need.
If I cant be the one you want.
Then all I want is to be free.

Your all I want
Your all I want
yeah yeah
Your all I want
Your all I want

yeah yeah
