The TV says i'm not the girl that i should be
It drives me crazy!
I'm not impressed
It isn't what i want to be
So call me lazy

Operator,operator
Don't call me
I'll call you later
Operator,Operator
i'm just fine
i'll call you later

Why Would i wanna be
Anybody else but me?
I'm never gonna Fake it
Why would i ever be
Anybody else but me?
I know i'm gonna make it
Without a dought
I know what i'm about
I'm everything i'll ever wanna be
A girl like me

A girl like me

The Magazines are messin' up Reality
It's Entertaning!
As long as we don't ever take it seriously
We'll keep on laughin'

Operator,operator
Don't call me
I'll call you later
Operator,Operator
i'm just fine
i'll call you later

Why Would i wanna be
Anybody else but me?

I'm never gonna Fake it

Why would i ever be
Anybody else but me?
I know i'm gonna make it
Without a doubt
I know what i'm about
I'm everything i'll ever wanna be
A girl like me

I don't wanna lose control
I don't wanna sell my soul
I don't wanna be no:
Drastic, Spastic, Superficial Plastic clone

Operator,operator
Don't call me
I'll call you later
Operator,Operator
i'm just fine
i'll call you later

Why Would i wanna be
Anybody else but me?
I'm never gonna Fake it
Why would i ever be
Anybody else but me?
I know i'm gonna make it
Why would i wanna be just another wanna be
i'm never gonna be never ever gonna be
Without a dought i know what i'm about
I'm everything i'll ever wanna be
A girl like me
A girl like me
A girl like me
