Its been this way past couple days  
The pressure, seeing Red  
It takes all my strength away  
So now I see that this is about deceit  
But its less about you, and more about me

Failure  
The loss of me  
Regretably

See now, I know that you  
Felt compromised by me  
So I will walk away,  
But know you owe me

Can you take the pain away from me?  
Will you succeed?  
Can you numb the sting of this defeat?  
For eternity?

Can you take the pain away from me?  
Will you succeed?  
Can you numb the sting of this defeat?  
For eternity?

False heart behind the sweetest eyes  
You blinded me so you could  
Hide the lies, but now I see

Failure  
Your loss of me  
Regretably

Can you take the pain away from me?  
Will you succeed?  
Can you numb the sting of this defeat?  
For eternity?

Can you take the pain away from me?  
Will you succeed?  
Can you numb the sting of this defeat?

For eternity?

See now, I know that you  
Felt compromised by me  
So I will walk away,  
But know you owe me

Can you take  
Take the pain  
The Pain away from me

Can you take the pain away from me?  
Will you succeed?  
Can you numb the sting of this defeat?  
For eternity?

Can you take the pain away from me?  
Will you succeed?  
Can you numb the sting of this defeat?  
For eternity?

Eternity  
Infinity  
Endlessly
