"I saw the miracl - they said
And looked at heaven"
"I want to show you miracle" -
My ansver was
"This hungry worms in dead flesh" -
Is your reflection!
And this dead lamb, you eating
Is your lovely Jesus!"
Destruction of the human - lamb world
Destruction from inside
The final holocaust for everyone
Forever future life for no one
They doesnot answer me
And I went to their homes
To take their lives
They was so innocent and silent
Like lambs befor the axe
Blood, Evil, Screams
Destroy the human land
Hate! My darkest hate
For you, lambs, for you lambs of god
Destruction of the human - lamb world
Destruction from inside
The final holocaust for you
Forever future world for me
