Hail black metal
Let's drink for that
Hail our revenge
Let's drink for that
Animal lust - to live to fuck
Animal thirst - to live to be drunk

Dirty sluts for ugly pleasure
No love, no any feelings

Drink, Drink, Drink, Drink, Drink, Drink, Drink!

Lesbian drunk orgy
Under the cross in church
Two drunk chicks
With dildos in pussies
Animal joy - to live for black metal
Animal hate - to live for black hate

Their lust is huge
They piss on altar
They piss on holy bible
Dirty sluts in church

Drink, Drink, Drink, Drink, Drink, Drink!

Dirty sluts for ugly pleasure
No love, no any feelings
Vodka and beer for mental orgasm
No blood, only this poison
