Abby of pussy so deep
Volcano of her ass is infinite
Her piss ripple is waterfall
This cunt has scent of death
Vaginal beast of prey
You'll take me to grave
Muscles in red cave
I don't wanna play

Take me to hell, ugly whore
This cunt has scent of death

Tits, nates, pubis, pussy
This slut has scent of sex
Stink from her ass
Drive me insane
Open your morbid vulva
And I'll give you my bain
Your deep red hole
Drive me to insult

Take me to hell, ugly whore
This cunt has scent of death
