You buried me
Boxed me in
Put me to sleep
?wrote? me down
Squared off and broke my jaw
You push me underneath the sheets
Push your tongue between my teeth
Oooh
So tell the girls to keep their faces ?grim?
It keeps the boys from getting into sin
And give my regards to all of my beloved enemies
Their grudges deep if Heaven watches over me
Then tonight I'll pray your soul to keep
You safe from harm just promise me

You've given up
Given up
Given up on me, on me
Given up
Given up
You've given up on me

Given up
Given up
You've given up on me

Have you given up
given up
given up on me, on me

Given up
Given up
You've given up on me
