Mama Mia she's so crazy
Mama my the kid has gone crazy
You know my lover's such a honey
And I give her all my money
She throws it all away
She loves to dress so cool
She wears her shirt so loose
And those shiny red shoes
Parades down the avenue
All the boys stay out of her way
Mama Mia she's so crazy
Mama my the kid has gone crazy
Mama Mia she's so crazy
Mama my the kid has gone crazy
She's got a mean attitude
Although she's only nineteen
She's a picture of a beauty queen
>From the covers of magazines
She wears her shiny red lips
When she wears her black leather
She's so hot to the touch
She's just a little, a little too much
Mama Mia she's so crazy
Mama my the kid has gone crazy
Mamy Mia she's so crazy
Mama my the kid has gone crazy
