If I could get back to Battle Creek  
I'd leave this town just in a beat  
Get back to the city where my life was not in shit  
I'd visit the family who never cared  
If I'm alive or dead  
And tell them how happy I am without them

Chorus:

I'd ride my bike past the police station  
Sit by the river with a shitty ass grin  
If there's one thing I know about Battle Creek  
It's that once I'm there I ain't never gonna leave again

It's a place where trees are not pre planned  
A place where my whole life began  
Never needed anybody else but me and the sky above  
Cereal city take me by the hand  
Take me back to when I was young  
And tell me all the things you know I wanna hear

-Chorus-
