Around the block one time, come back and switch cars

Hey I done bought the car, bought the house  
I got about 30 karats, inside my mouth  
I represent the dirty dirty, the dirty south  
I even put it down with, Swisha House  
I got more syrup than, Waffle House  
9-9 graduator, I walked across  
I run through all hoes, like Marshall Faulk  
I fuck with Big Pokey and Big Hawk  
And underground mix tapes, got us fame  
And fucking with real niggas, got us game  
Screwed Up Click about to go worldwide  
And once you cross 6-10 welcome to the Southside,  
Southside

[Chorus x2]

[Lil Flip]

Thanks to my nigga Screw, I got my shine on

Now my nigga gone, so I gotta rhyme strong  
I'ma go platinum, cause I'm a lyrical threat  
I think about you everytime, I hear a cassette  
Chopped up, but them niggas can't chop like you  
Them niggas can't even make the music stop like you  
But I'ma keep you alive, everytime I rap  
On the real, DJ Screw put us all on the map  
So everytime I bust a flow, I'ma show my ass  
You taught me two things, keep it real and fold my  
cash  
Now I'm rich, and I'm still dropping underground shit  
And fuck the radio, I drop underground hits, I'm a  
Screwhead

[Chorus x2]
