My cup full of this patron, 4 tips that big bon
2 cups of that cold jay, sip slow if you want some
Got a pocket full of them mollies, we geeked up we
wailing
We bite down, not smiling, I need some space it's too
crowded
Cause my cup full of this patron, 4 tips that big bon
2 cups of that cold jay, sip slow if you want some
Got a pocket full of them mollies, we geeked up we
wailing
We bite down, not smiling, I need some space it's too
crowded

Cause I'm too turned up to be turned down,
Turnt up to be turned down, turned up to be turned down,
Turnt up to be turned down,
Got a pocket full of them mollies, we geeked up we
wailing
We bite down, not smiling, I need some space it's too
crowded

Give me motherfucker swisher high gas I'ma pocket
bout to roll this shit
Everytime I drop a molly in my drink I keep telling A...to
hurry
We can fuck this bitch
Hold up, let me pour up, I feel my face on the floor
Look nigga, I'm tow up, and everytime a nigga show
up
A bitch wanna act bad and she motherfucking throw up
Y'all hoes can't drank, I wobble leg this building
Then stumble your ass in my car, and now you're
drinking out of your feelings
I'm contemplating bout millions, I'm only thinking
bout drilling
You need a sexual healing, her friend is down and she
willing
Cause I'm too turned up to be turned down,
I'm on the white...brown, the lean here, where the
zans here
Where the...and I ... down

Iâ€™m on the whiteâ€¦brown, the lean here, where the
zans here
Where theâ€¦and I â€¦ down

Put a load of this and a load of that
My lokes on and my snapback
My vision blur, my speech sure, I live life fast so shit is
a blur
I beat up the block and â€¦
No shirt onâ€¦ what did you expect, itâ€™s the world
Turnt up with a club of drugs, girlfriend wanna fuck a
thug
The whole east side show the hoe some love I got
Gâ€™s parked outside the club
In the streets drive â€¦yâ€™all niggas ainâ€™t gonna bust
a slugâ€¦
Motherfuckers these days too capped outâ€¦show
these niggas what I rap aboutâ€¦
What you drinking on, got a cup full of that
