I take it to the hoop Â– finish and 1  
Do the on 1 Â– 1 & only lord's son  
2 times the fun Â– don't need a deuce deuce  
My double-double game proves I'm too true  
Call me a shooting fool cuz I rain 3's endlessly  
Or slam dunk and you ain't goaltendin' me  
In a 64 with butterfly do's  
Sittin' sideways, amaze on gold chrome  
When it's 5 on 5, you're boy is way live  
Fans in the stands are chantin' "Hey, Yah!"  
Six footer like A.I. with a slick sense  
If there's a party, then I'm callin' 6 friends  
And they call 7 more, and so on and so on  
Enough peeps to raise the roof and yell "Go On!"  
So many fine dimes kick it with V  
Here's to the good life, drinks are on me!

Any kinda party, your boy is way live  
Up in the scene, I bring the right vibe  
Busy on the mic all day & all night

From 3 6 Mafia to 2Pac mein  
I'm 2nd II None with my cool talk mein  
Crews flock from miles around to see V  
Go dumb, get stupid and rock it hyphy  
Ghost ride the whip anytime on the strip  
Don't even trip. I can peel out in 5th.  
Jettin' to the party in an Enzo Ferrari  
Laced up - draped out Â– pumpin' Bob Marley  
Got 6 Million ways to pick up 6 Million babes  
My joints on MySpace gettin' 6 Million plays  
Mr. loverman with 20 hons on standby  
And 20 in the wings Â– batta boom, batta bing  
But the V ain't a dawg, I'mma hip cat with 9 lives  
Lookin' at your tail, I'm a gentleman with hindsight

In the limelight, I'mma number 1 stunner  
And I be gettin' busy, so please take a number

Any kinda party, your boy is way live  
Up in the scene, I bring the right vibe  
Busy on the mic all day & all night

1 to the 2 to the 2 to the 3  
Like this and like that Â– get like V  
See me stroll by, ladies do a 180  
It's crazy, I've been turnin' heads since the 80's  
Paid all the time, not the 1st and the 15th  
To me, this is easy as 1 2 3  
Drop any beat and I'm live on it  
I got you cuz I got 5 on it  
In the 408 Â– I watch my stock rise  
Connects all the way to the 415  
36-24-36's in my penthouse  
Cuz I get down with the top percentile  
Married to the game Â– I got love fo' sure  
When I step through the door, this is my encore  
10-9-8-7-6-5-4  
3-2 Hip Hop Â– V forevermore

Any kinda party, your boy is way live  
Up in the scene, I bring the right vibe  
Busy on the mic all day & all night  
24-7-36
