Your tracks get burnt when the V spits on 'em
Beats with lame melodies Â– the V don't want 'em
When this shit drops V's top chart songin'
Universal mind control like Common
With sound effects in the studio chop-choppin'
Like blades on an Escalade Â– big bomb droppin'
Enola Â– potent like Ebola virus
Maniacal motives right behind my eyelids
Equalizin' and enhancing vocals
"Achem" your windpipe like you're in a chokehold
Record the playback Â– rewind and play that
Straight up Dogg, I don't masquerade that
On mic pimpin' without declippin'
Pump the jam up 'til your CD's skippin'
And engulfed by the ultrasonic
Ultraviolet and a lil' hypnotiq

Ah, Yeah! Oh, Yeah! Uh huh!
Like Master P, I can make 'em say Uh!
Erre Eree Oh Erre Erre Uh
Erre Eree Uh, Uh, Uh, Uh, Uh
(Wait) Yeah, Yeah, (wait) Yeah, Yeah
(Wait) Yeah, Yeah, (wait) Yeah, Yeah
(Wait) Hup, Hup, Hup, Hup
(Wait) Hup, Hup, Hup, Hup, Hup, Hup

Yah, Dah, Dah Dah Â– Rat Tah Tat Tat
Yah, Dah, Dah Dah Â– Rat Tah Tat Tat
Yah, Dah, Dah Dah Â– Rat Tah Tat Tat
Yah, Dah, Dah Dah Â– Rat Tah Tat Tat

(Wait) Yeah, Yeah, (wait) Yeah, Yeah
(Wait) Yeah, Yeah, (wait) Yeah, Yeah
(Wait) Hup, Hup, Hup, Hup
(Wait) Hup, Hup, Hup, Hup, Hup, Hup

There ain't no doubt about it! We pop the trunk!
Ay, Ay, Ay, Ay!
There ain't no doubt about it! We get this crunk!
Ay, Ay, Ay, Ay!
There ain't no doubt about it! We outdo Trump!
Ay, Ay, Ay, Ay!
There ain't no doubt about it! Our girl's got lumps!

Your boy is on fire! You're boy is on fire!
