I come through exposin' those posin'  
And fallin' off like glaciers in the Arctic Ocean  
Got more passion than a hammerhead thrashin'  
I'll make Cypress Hill know it's time for some action  
Back and forth like a tug-o-war, sting like a Portuguese  
Man-O-War  
Lyrical frays are my brand of war  
Never had to surrender, been a pretender  
Or corner-to-corner crack vendor  
Supply a natural high like testosterone  
Make you legit from once bein' an imposter's clone  
Haters and hoseheads won't stop me  
From livin' my life with the cake and the frosting  
I bring the noise like a sonic boom  
Call me Cyclops cuz I'm the real monster in the room  
Consume at the top of the food chain like T-Rex  
Through to your EQ, messin' up your presets

I Come Thru Â– Yeah, Straight to you. Givin you what  
you like. Uh Huh  
I Come Thru Â– Yeah, Any given time. Keepin' flows  
tight for you. Uh Huh  
I Come Thru Â– Yeah, So whatcha wanna do is heed the  
call when we come thru.  
Uh Huh

Sometimes I lay in the cut like a saber-toothed tiger  
But when I come thru I'm a sick skill provider  
Meaner demeanor when I sense haters flockin'  
So when it's time to rhyme, the V will always clock in  
Combine the walk and the talk,  
Biggup to Bambaattaa cuz I also shake the Planet when  
I Rock  
With Soulsonic Force B  
My flow can rack up fat stacks, plat plaques and will  
always endorse me

I Come Thru Â– Yeah, Straight to you. Givin you what  
you like. Uh Huh  
I Come Thru Â– Yeah, Any given time. Keepin' flows  
tight for you. Uh Huh

I Come Thru Â– Yeah, So whatcha wanna do is heed the  
call when we come thru.  
Uh Huh

I Come Thru Â– Yeah, Straight to you. Givin you what  
you like. Uh Huh

I Come Thru Â– Yeah, Any given time. Keepin' flows  
tight for you. Uh Huh

I Come Thru Â– Yeah, So whatcha wanna do is heed the  
call when we come thru.  
Uh Huh
