Let's go do some crazy shit Â– only for the fuck of it
You can do some crazy shit Â– no one's gonna care a bit
Let's get drunk & crunk & lit Â– go get blitzed & twisted
Now it's time to go do biz, so go grab a fine ass chick

Let's get fucked up, if they stuck up
Kick they ass up out like dumbfucks
Dump truck is a car full of booty
Man, I love them cars full of booty
Don't you love 'em, yeah me too
Whoa that there's a real wide view
See my big ole' wide-ass grin
I gotta step back, take it all in
Not by the hairs of my chinny chin chin!
Nuts by the hairs of their chinny chin chin!
Ew, that's gross! So disgusting
I'm in the back doin' real wide trucking
So who's watching where we go?
Ghost ride the whip with silicone pros
Mouth in my lap Â– tongue in a twist
I get my kicks on Route 66

Let's go do some crazy shit Â– only for the fuck of it
You can do some crazy shit Â– no one's gonna care a bit
Let's get drunk & crunk & lit Â– go get blitzed & twisted
Now it's time to go do biz, so go grab a fine ass chick

Let's get tore up from the floor up
Drink that drank until you throw up
'Til you barf, 'til you yack
I got ladies back to back
If you act up then I crack up
Cuz your ass is gonna get smacked up
Smack up booties within reach
'Less they whales about to breach
Whip out V! Look out below!
Lay down. It's upside your nose
So don't sneeze, else it's germy
Ladies love my squirmy wormy

Don't forget those mammaries
We make one big family
You, me and the twins
Let's go take 'em for a spin

Let's go do some crazy shit Â– only for the fuck of it
You can do some crazy shit Â– no one's gonna care a
bit
Let's get drunk & crunk & lit Â– go get blitzed & twisted
Now it's time to go do biz, so go grab a fine ass chick

Go 'head girl, it's your birthday
So break out your birthday suit
You're a fox. I'm the hound
In pursuit Â– Who gives a hoot
Just how fucked up that we get
Girl your bubbles effervesce
And they bouncy Â– boy oy oing
Just like Young Dro Â– choy oy oing
So move somethin' like Two Live
Freaky Tales up in my ride
Tear the club up. Hit the bong.
Skeet, skeet, skeet Â– comin' on strong
Superman dat. Spiderman dat!
Knock the dust up off that ass
Because I'mma gangsta Â– havin' fun
Said Eazy E Â– So let's get done

Let's go do some crazy shit Â– only for the fuck of it
You can do some crazy shit Â– no one's gonna care a
bit
Let's get drunk & crunk & lit Â– go get blitzed & twisted
Now it's time to go do biz, so go grab a fine ass chick
