I party all the time when rollin' with the L Train
Shit's on lockdown with rhymes upside your membrane
Steppin' to the stage, shorties jockin' for our a piece of
us
Blow the ladies' minds - VIP is where they're seatin' us
For freaky dekey's - we scopin' like a searchlight
Po' some Moet on 'em - we love it when their shirts tight
You heard right, been with breezies every kind man
Back to the crib I'm hittin' skins from every side man
Cuties climax when I get my groove on
Never taste the kitty cat Â– I'm workin' it with my
smooth shlong
I spread love cuz I'm down for the long ride
Kick back, relax and watch the ladies thongs slide
Down ditty down Â– down to their stiletto's
I got the wood that grows so call me V Giupetto
Amaretto-whiskey that keeps 'em feelin' frisky
I suit up with a profilac so V's not livin' risky
Back to the festivities Â– we party past the last call
Keep the party jumpin' with girls nicknamed Pumpkin'
A lil' somethin' somethin' known as a nightcap
Ladies, let's get physical - We comin' with the right rap
That's a lotta fun, but I gotta run
I got some hotta huns Â– goin' topless in the sun
So we ridin' topless Â– with girl's laced in lingerie
Throwin' out their bras cuz our life is an escapade.

Party all the time - Party all the time
Party all the time - Party all the time
Party all the time - Party all the time
Party all the time - V parties all the time

Party on my mind - Party on my mind
Party on my mind - Party on my mind
Party on my mind - Party on my mind
Party on my mind - V's got party on my mind
