Up on stage, been the rage of every single show  
Flawless and polished so V is good to go  
Upstanding since college with knowledge so exact  
And extraordinary tact that the other haters lack  
Professional. Every line rhymed is exceptional  
Ladies in the crowd throwin' me their unmentionables  
No one's out there with the same glow  
Call me Cool Hand Luke with a sick, insane flow  
Better than the rest, let me put this to rest  
I'm shinnin' like a superstar, the top is where I rest  
Accolades roll in oh so easily  
I got the crib where all the hottest breezies be  
See the guap in my rubber band expand  
VIP up in every grandstand  
Catch me where the spotlight's focused and beamin'  
Lookin' like some 24's, buffed up and gleamin'

So flawless, the V is so polished  
Bling, bling, bling - #1 baller  
Brush my shoulders off - sips of the potion  
Four wheels spinnin' - chrome in steady motion

So flawless, the V is so polished  
Bling, bling, bling - #1 baller  
Brush my shoulders off - sips of the potion  
Four wheels spinnin' - chrome in steady motion

Swag so sick with skills - swagnificent  
Anything less than the best - insignificant  
You trippin' kid. Thinkin' you can knock me off son  
V's got pull from Berkeley out to Boston  
Like Gnarles Barkley, it's crazy how I'm flossin'  
Crusin' the upper atmosphere like a Top Gun  
Never at the bottom - chillin' at the top rung  
Smooth like Jay Z, but I never lost one  
Awesome's how I'm described makin' waves  
All up in this beach at Mavericks in Escalades  
Escapades with ladies 'round the globe  
Chillin' every day cooler than an eskimo  
Shinin' brighter than a supernova  
You might see me in a Rover getting' over

There ain't no doubt about it Â– V is bout it, bout it  
If I skate with the ice then my diamonds never cloudy

So flawless, the V is so polished  
Bling, bling, bling - #1 baller  
Brush my shoulders off Â– sips of the potion  
Four wheels spinnin' Â– chrome in steady motion

So flawless, the V is so polished

Brush my shoulders off Â– sips of the potion

Just like T.I., my polish is immaculate  
Think I'm ridin' dirty - you're simply inaccurate  
Back a bit up, so you can check the image  
Cleaner than some candy paint with a glossy finish  
Fresh and clean Â– fresh to death like Dougie  
Clean with the sheen. Other crews lookin' ugly  
Muggin' and strugglin' to stay with the trends  
That the V sets Â– tighter than a S-Class Benz.  
Fancy footwear for any occasion  
Baby let's bounce and have some relations  
Tastin' elixirs from passion fruit  
You can't get enough of this dashing dude  
My game and look are oh so polished.  
My swag and style are oh so polished.  
My fits and ride are oh so polished.  
Shoes so polished. Crews so polished.

So flawless, the V is so polished  
Bling, bling, bling - #1 baller  
Brush my shoulders off Â– sips of the potion  
Four wheels spinnin' Â– chrome in steady motion

So flawless, the V is so polished  
Bling, bling, bling - #1 baller  
Brush my shoulders off Â– sips of the potion

Yeah, polished and flawless.  
Oh, so shiny and smooth.  
Press rewind and you'll find I'm refined.  
Ain't no imperfections, fools
