Work it side to side - how a true mami do it up
Great big body Â– little hottie need to tune it up
Wanna ride in my ride baby tune it up
Wanna slip down my slide baby tune it up

Work it side to side - how a true mami do it up
Great big body Â– little hottie need to tune it up
Wanna ride in my ride baby tune it up
Wanna slip down my slide baby tune it up

Mami out ther yeah she got the whole package
But she gotta tune it up before we start racket
Snackin' and packin'? Â– let me state clearly
Fitness fin to be in your vocabulary
Love them curves but be skinny in the middle
You need to be fit girl to fit inside my riddle
Sweat it out-work it out or get that tummy tucked
And I'll be doin' thangs so I get my money up
Listen baby girl it goes Drop, Drop, Drop
And when I cut it up it goes Chop, Chop, Chop
Lil Miss Thing Thing Â– I don't got bling bling
But I'm down to upgrade this to a spring fling
No runners up Â– I want a real bootie queen
Six pack Â– sit back and watch her do her thing
Her figure lookin' mean so she vicious on the scene
Hotter than tamales so I give her sizzlelean

Work it side to side - how a true mami do it up
Great big body Â– little hottie need to tune it up
Wanna ride in my ride baby tune it up
Wanna slip down my slide baby tune it up

Work it side to side - how a true mami do it up
Great big body Â– little hottie need to tune it up
Wanna ride in my ride baby tune it up
Wanna slip down my slide baby tune it up
