Yeah, Mein'. Y'allready know where I'm comin' from  
But here's a reminder I'm still about my bizness

I keep a bad chick  
When she walks by best believe you wanna grab it  
I gotsta have it  
Stackin' up the chips, mein, it's just a force of habit  
I'm Cadillacin'  
Double-dippin' switchin' lanes swervin' through the  
traffic  
I'm party-crashin'  
Spot me with somethin' sexy tatted with a rabbit

You betta act like you know or I'mma let you know  
Cuz knowledge is the key to me  
I keep a low pro. My tires are low pro'  
Low proin' is the thing to me  
Mean muggin' without muggin' nobody  
Rearview is lookin' mean to me  
Rappin' hungry on the mic - stomach achin'  
A starvin' artist ain't the way to be  
Don't get it twisted, I'm gifted with a potent potency  
But kick it leisurely  
Check my Warriors and Steelers, Champions!  
But my posse is the team to beat  
All throughout the scenery, I'm frontin' with some  
greenery  
My fitted's clean to me  
I run roughshod over rogues with my rhyme recitals  
Welcome to my litany!

I keep a bad chick  
When she walks by best believe you wanna grab it  
I gotsta have it  
Stackin' up the chips, mein, it's just a force of habit  
I'm Cadillacin'  
Double-dippin' switchin' lanes swervin' through the  
traffic  
I'm party-crashin'  
Spot me with somethin' sexy tatted with a rabbit

Like Nas said,  
I'mma civilize the savage and elevate the average  
I stay focused on my cabbage,  
On the grind I'mma major monster mashin'  
I'm like E Coli with infectious music  
Heads are boppin' when I roll by  
I'm on a cloud-nine high  
Say what's up to my maker when I roll by  
I got friends in high places  
My sphere of influence is unlimited  
Other rappers cry foul  
I watch the game unfold Â– It's either hit or miss  
You try to battle  
But I'll win tactically with superior strategy  
Like George Carlin' with the chivalry  
You draw the line Â– I'll cross it deliberately

I keep a bad chick  
When she walks by best believe you wanna grab it  
I gotsta have it  
Stackin' up the chips, mein, it's just a force of habit  
I'm Cadillacin'  
Double-dippin' switchin' lanes swervin' through the  
traffic  
I'm party-crashin'  
Spot me with somethin' sexy tatted with a rabbit

I got the stamina to go all out  
Cuz I'm the strongest latin pound for pound  
Well renowned. It's astounding how I wow the crowd  
So solid round for round  
Some do drugs to get high or get tough  
But the V is above the snuff  
Enough's enough Â– you be hatin' from the side  
Challenge me and I'll call your bluff  
No competition  
Streamline my tactics cuz I'm so mission efficient  
I'm in it for more than a minute Â–  
No gimmick - there's no limit to my vision  
I'm on top so you better maintain  
Cuz the bottom's where you stayin' mein  
Wrecking wrecking crews with wreckless abandon  
Like Wu Tang mein, I bring the pain

I keep a bad chick  
When she walks by best believe you wanna grab it  
I gotsta have it  
Stackin' up the chips, mein, it's just a force of habit  
I'm Cadillacin'  
Double-dippin' switchin' lanes swervin' through the  
traffic

I'm party-crashin'  
Spot me with somethin' sexy tatted with a rabbit

Uh, Huh. Know I'm sayin'  
Y'allready know. So  
If you didn't know before homeboy, then I'mma let you  
know,  
That's how it is!  
And now you in the know
